Hello, Gwen,

Thank you very much for your response to our survey. I got your fax and glad that we are in the same direction regarding Chemical Recovery site. I reviewed the draft health consultation and made slight changes in the discussion section. The latest electronic version shall be e-mailed to you tomorrow. Then, a copy will be sent to ATSDR for finalization and a copy to Jeanne Griffin for her planning.

Look forward to working with you.

Later,

Ying

Gwen, the e-mail couldn't get through. So I fax this to you.
